

Proposal for Finance

Private Individual

The information about the customer on this form may be passed to one or more finance companies for the purpose of making credit decisions. This use of the information by the finance companies may include searching and recording information with licensed credit reference agencies, debt tracing & fraud prevention. Details of those searches and this proposal may be added to the customer's record which may be shared with other organisations and used to make decisions about credit, insurances and other services you apply for in the future. Credit scoring and other automated decision making systems may be used in assessing your application.
